When he was asked that he thought about the 2016 harvest, he said with a smile: "It is a harvest that will tear you pants! Barbaresco and 2015 Riservas Elio Grasso Barolo 2016 Crus Vietti's Barol Quality is evident from top to bottom, the sign of a really large quantity. This made a long harvest perpet You may be due to the fact that the 2015 harvest in Europe was so "snowworthy" in the commercial terms of the wine that eclipsed the wines from the next year that now they are seen better in some important appeals. The 2015 growth season was Quite lavish, producing large and striking wines in many places, including very famous such as Bordeaux, Burgund The 2016 of many regions were less "instead" and "impressive" in large terms, but as 2015 have been developed, with a better balance and proportionality in a slightly small . But it is an extremely satisfactory scale. They would have the right climate at the right time. The producers could take their time. The only village that suffered reduced production levels was the morra, due to hail, but this has not affected the quality. It is completely numerical and surely ready to go to history books. Wines have a great varietal purity, the most seductive aromatics and a surprising level of fruit concentration. Having visited the region several times to test the 2016, it is easy to see why. 2013 for Elegance, 2014 for structure and 2015 for accessibility. What producers and critics have said while we are still waiting for the scores of the critics Barolo, we have already been blessed with Vis a look at Barbaresco where each wine has achieved the perfect 100 or flirted with it. That is true in general terms for Barbaresco of the two crops, and for this time of the next year, we will know if the same result comes off for the 2016 of Barolo. Result, and my conjectures are made by the ten excellent examples of barbaresco outlined below. 2016 is a harvest that suggests Barolo lovers not to be lost. In his opinion, in his opinion of 2016 it is the best harvest of the last two days, and describes his famous CUV. Monica Larnar, the wine defender "everything reached the perfect maturity in this 2016 harvest" Jancis Robinson MW "Piedmont produced an excellent quality wine in 2016". I have very good news to inform, based on very extensive tastings of Barbaresco and Barolo recently launched wines that I made in Italy five weeks ago: there is a wonderfully delicious Nebbiolo ship directed towards our coasts. From 2015 it is less consistent than Barbaresco of 2016, but the main launch of Barolo of 2015 are excellent, and it will return the next month with the first of the two profiles of the best wines. Piggy Bank in anticipation of the 2016 of Barbaresco, which are generally pure, balanced, elegant and natural health wines with a delight without effort built from a rare combination of depth and elegance. They have also preserved vitality and energy, elegance and balance. The best 2016 that are positively dazzling. The perfect mixture of the last 3 years but with additional brightness and magic. This is a historical harvest, with the producers who remember the great 1964, one of the legendary years of Barolo. If you haven't done it yet, 2016 is the harvest to do so. My best of the tastings of the end of January are listed in order of preference (early) below, with price indicators and scores of the best owners. Event in Alba, where the new launches of Roero, Barbaresco and Barolo for journalists every year, together with the bottles of Riserva older ones who have just released from these denominations. As these wines are established after a long term from the bottling, it is very likely that they will be better better and deserve more high scores, but I do not want to enter the business of offering "speculative evaluations." It is very unlikely that any of the revised wines à € à € - They are already being shown, and must buy with confidence (especially in view of the relatively low prices for Barbar. Or compared to Barol The best wine I have tried in this house. It is full of expressive aromas and flavors, combining, combining both the fruity notes and the rooms and show the most commonly associated with Barolo wealth, but also with the nuanced and up of Top Barbaresco. 95 The bià f à CA (Barbaresco) "Ronchi" 2016 (\$ 40): "I cannot say that another wine of this producer has been trapped in my memory, but I can say that this will remain there all of them for a very long time. It is already very delicious, this also shows a lot of margin of improvement over time in the bottle. WARNING. Litter. There is a real depth and impact of flavor in wine, but it doesn't seem like all the "too aggressive maceration. Notably elegant for its style, this is a very beautiful wine "95 Castello di Neive (Barbaresco)" Stepher Stefano Albesani "2016 (\$ 65): à € a Nebbiolo wonderfully elegant that is extremely expressive but that has no weight, this shows Open fruit with light salty nuances and wood properly underestimated. The tannins are also very fine and discreet, brilliantly tuned to the delicacy of the fruit. They sing together harmoniously. Simply beautiful. 94 POWER POWER (BARBARESCO) "RONCAGLIE 2016 ( \$ 55): "This traditional style wine is always good, but this harvest can be the best interpretation in which I have tried a day writing that the aromas are" seductive "are not really dedicated to the hypoge The flavors and the finish do the same, merging notes of soft fruits with beautiful tasty accents,. And the apparently oxidative wine of wine works perfectly with the fruit of this growth season. You can only know how much you like to seduce yourself, but if you like to be whispered instead of shouting, this is 94 Giuseppe Cortese (Barbaresco) Impressive and length in the palate that, however, shows a lovely purity and quite subtle wood accents. This shows the elegance apparently effortlessly of the harvest with great effect, even of a CRU that often shows sufficient mismlulo to imitate Barolo instead of seemingly seemingly as Barbaresco, 94 94 Giuseppe nothing (barbaresco) "Casot" 2016 (\$ 48): "With the extremely talented enric Barbaresco producers. The most open wine of the harvest by a long shot, this requires a little whirlpool and patience to express itself, but once it opens, it shows excellent purity and precise both in aroma and flavor. It was not finished working in the only one, and its excellent proportionality will allow you Lang of floral and tail notes, shows great purity in its fruit number, but also a large amount of small interesting accents. 94 Pasquale Pelissero (Barbaresco) "à,~ À Cascina Crosa 40): This wine is an object lection about the Barbaresco's capacity to achieve concentrated flavors, as well as purity and à € celucant 'of expressive perfume, fresh acidity and fine tannin. Shows significant maturity as Like an open oak, but the internal force of the fruit favorably hires the wood and allows the wine to reach the equal balance. The previous crops of this are sold at very reasonable prices in the US., And if this has a comparable cost. It will be a robbery. That sense is a bit more representative of what many Barbaresco lovers expect from this growth site. It seemed a little less complex and polished, but it is so deliciously fruity and tasty that we must not deny its excellence and time in Bottle will undoubtedly increase its complexity. February 93, 6, 2020 Piedmont is about to launch one of its best crops on the days. Wines are fascinating and ethically beautiful. Luca Currado, in Vietti e À,~ à "2016 is the harvest that we have all been waiting for. There is no need to be too geek about the factors of "why they explain the excellence of 2016 from Barbaresco. Hot during the last two days. The harvest was made later than usual in perfect conditions in perfect conditions , practically without "heat" but the low level of the low level of maturity, registering below 1 gram per liter. They make it one of the most elegant sets of Barbar there are some To open the appetite. Antonio Gallonio, Wine and "stylostatically, the 2016 remind me of the 2004, but with more fruit and the additional delicacy that comes with other experiences of experience in agriculture and winemaking. They had a great phenomena maturity, wonderful Azi "Cares Natural, acidity and fine tannins. This is the harvest to fill its symptoms, to rejoice. The 2016 harvest has been praised by all producers of region and global critics. You will not be disappointed. Vittore of Fratelli Alessandria ,~ À " 2016 is brilliant. The grapes were healthy and enjoyed a balanced maturation. For any Burgundy lover there is a natural transition to this number. Each CRU and people show their terroir and characteristics and have the a great winery potential. There are many similarities between Pinot Noir and Nebbiolo and the wines are equally captivating. It is rare to leave a region with such emotion and anticipation, but 2016 left no doubt. A abundant. The impressive structure with synos samsper, sweet and mature is impeccably balanced by a perfect acidity that guarantees wonderful freshness. All I can say is: "Làlena your boots!" Why buy Barolo? The growth conditions of Barbaresco 2016 in Piedmont were perfect in 2016. I recommend buying what you can in all the submotos of all producers, each commune and at any price level that adapts to your cellar. I experiment that sensation of emotion and energy that I always feel when in the presence of important crops and wines. And finally, the appointment that summarized our thoughts of our trip the past year was from Roberto in Elio Grasso. 2016 has all this and a perfect balance that gives it its own musician character.
